Why Work for the ARWA?

Short Version – We are awesome!

Longer Version – The ARWA exists to serve rural water and wastewater entities. More broadly, we seek to serve the improvement of the water and wastewater industry at large. Internally, we are organized in a manner that maximizes personal growth and potential.

We...

1. are flexible;
2. offer great benefits;
3. seek career-minded personnel that fit in with the ARWA family;
4. value hard work and fun (i.e. – we play as hard as we work);
5. support and invest in our team members;
6. encourage and provide professional development;
7. provide many critical and beneficial services;
8. celebrate our wins, and strive to learn from our losses (much more celebration than study, by the way);
9. are sincere and genuine in our pursuits;
10. supply nearly anything necessary for our team members to be successful in managing their obligations.
11. value work / life balance.
12. value your knowledge and experience.
13. want to learn from you, as you learn from us.

Please, take a chance on yourself and reach out and give us a try! The citizens of Alabama need your input and work in order to improve the services we all depend on each and every day. We hope you are the right person to become the newest ARWA team member!
