Calhoun County Water Authority
Grade III Water Treatment Plant Operator

The Calhoun County Water Authority is looking to hire a Grade III Water Treatment Plant Operator. Applicants must be Grade III certified or higher and have a valid driver’s license to be considered for the position. Salary will be based on experience. Benefits include BCBS medical and dental state retirement, vacation, holidays and sick leave. Possibly consider a grade II operator that is seeking advancement.

Resumes can be mailed to or emailed to ccwafplant@aol.com
